

# TOWN OF ARLINGTON

## Cemetery Commission

Date: October 12, 2022  
Time: 9:04am  
Location: Lyons Conference Room, Town Hall

### Minutes

Attendance: Commissioners Michele Hassler, Bill McCarthy, Brian Hasbrouck, Asst. Dep. Town Manager, Jim Feeney, DPW Director, Mike Rademacher

1. Minutes of September 12, 2022 were approved
2. Ray Dunetz met us by Zoom to review proposed ideas for improvements to the columbarium area. Meeting members reviewed options and discussed aspects they liked and those they did not. Discussion ensued about what materials are best to be used, what will last the longest, maintenance concerns and future uses. Commissioners discussed how they each envisioned what the final outcome would look like, and how those thoughts tied into what was being presented. Ray was asked to send us all the final pictures and costs he had put together for further review. He was going to narrow down the proposals to what we are looking for and to see what we need to go to ConCom with for approvals. Discussion and how to advance project further will continue next month.
3. Mike discussed how the front cemetery fence paint tested positive for lead, which makes re-painting a little more complicated. He will investigate taking the fence down to be worked on at a facility which may be safer for the area and better for those who have to work on it.

4. Deeds to be signed by commissioners at chapel at their convenience.
5. Next meeting will be November 9, 2022 and will take place in the usual meeting space at the chapel

Meeting adjourned 10:30am.

Respectfully submitted  
Michele Hassler
